Monoposto

A homage to the cars, the drivers and the incredible stories that made history of Formula 1 through the decades. Based on the new POLICAR Monoposto racing model, a collection of the most iconic single-seaters of the past. The teams that made F1 famous through box-shaped television and screaming Sunday radio broadcasts, the colours and logos that gloriously promoted adult-only businesses to die-hard fans will see new light in the GEM collection. Venerable heroes of the heel-and-toe will see a striking comeback on modern shaped single-seaters. Combining these beautiful liveries with the state-of-the-art engineering and quality for which POLICAR and SLOT.IT are known for, rest assured to enjoy many hours of adrenaline rush in your living room, without having to worry for quality or reliability.
